Name _____ of _____ Contractor:

Contact _____ Person:

Phone: _____

Contractor's estimate: _____

By my signature, I certify that the information provided with this application is true, and that I have read and understand the program guidelines.

Signature: _____ Date: _____

Terms & Conditions

1. **Submit program application, a copy of your sewer line inspection video, and your contractor's estimate to the BPW Engineering Office, 205 N. 4th Street.**
2. **Beatrice Board of Public Works (BPW) will review the application and verify that proper permits have been obtained through the Community Development Department.**
3. **If pre-approved, funds will be obligated for a period of ninety (90) calendar days. Contractor itemized invoice, inspection(s), and verification of payment to contractor must be submitted to BPW within this 90-day period for reimbursement.**
4. Failure to provide required information may result in denial of the incentive.
5. Residential and commercial customers within the City of Beatrice sewer service area are eligible to receive one incentive of 25% of the property owner's cost to repair the broken sewer connection, up to \$1000. Eligible properties must be at least 5 years old, and have an assessed value of less than \$200,000.
6. Applicant must be the customer of record for sewer service with BPW.
7. New wye, saddle, or Inserta Tee is required. Re-using the existing connection does not qualify.
8. The applicant agrees to obtain all applicable permits from the Beatrice Community Development Department; to use materials approved by our adopted building codes (2015 IRC and/or 2015 IPC); and to have materials installed per code. All necessary permits and/or inspections are the responsibility of the customer.
9. Incentives are awarded on a first-come, first-served basis until program funds have been depleted.
10. Incentive payment will be issued by check to the customer upon satisfactory completion of the project and proof of payment to the vendor.
11. BPW reserves the right to inspect the installed material. If the qualifying equipment is not installed, the incentive may be debited to the customer utility account.
12. BPW is not responsible for the performance of the sewer connection, and does not provide any warranties, expressed or implied.
13. BPW reserves the right to amend or discontinue this program without notice.
